Dr. V. Reghu**

About the College

Mar Theophilus Training College, one of the premier Teacher Education Colleges in Kerala is situated in the lush green and scenic Mar Ivanios Vidya Nagar and owes its inception to the prayerful insight of the divine visionary, the late Archbishop Mar Ivanios. The foundation of this great centre of learning was laid by the Archbishop of Trivandrum, His Grace Benedict Mar Gregorios. Under the unfailing and vital guidance of our patron, His Beatitude Moron Mor Baselios Cardinal Cleemis, Major Archbishop Catholicos of the Syro-Malankara Catholic Church, the College is now attempting newer heights of excellence. The College is owned and managed by the Major Archdiocese of Trivandrum.

The College derives its name from the Late Bishop Jacob Mar Theophilos of Thiruvalla. It started functioning in July 1956, under the affiliation of the then University of Travancore in the premises of Mar Ivanios College Campus. Later shifted to a new campus which is now occupied by Sarvodaya Vidyalaya. In 2001, College was set up in the present campus with futuristic infrastructural facilities in accordance with NCTE norms.

Prof. T.Y. Thamphy Haris, a renowned scholar, served as the first Principal of the College. Eminent and distinguished personalities have adorned the post of the principal of the College. Dr. K.Y. Benedict presently heads the College, steering it steadily through changing times. Rev. Fr. Thomas Kayyalakal, the Bursar, caters to the physical and spiritual well-being of the College.

The College offers B.Ed. in six optional subjects. It commenced its first M.Ed. batch in 2005. The implacable standard maintained by the College in the field of research has finally attained fruition with its elevation to the Research Centre under University of Kerala.

The College in its 65th year of nation building is committed to mould teachers who are intellectually honest, academically effluent, technologically equipped and emotionally mature in their words and deeds. Today the College marches forward with enhanced vigour and vitality, holding high the motto "Dominus Mea Illuminatio", meaning "God is My Light".

Milestones

The Mission

- ✦ Formation of academically excellent, professionally, competent, socially committed teachers for the nation and rest of the world
- ✦ Development of professional expertise to the student teachers through curriculum related enrichment programmes
- ✦ Professional enhancement of teacher educators through research activities
- ✦ Social upliftment of the educationally backward sections of the society through extension programmes
- ✦ Human Resource Development through teacher education with due weightage for the weaker sections of the society and minorities

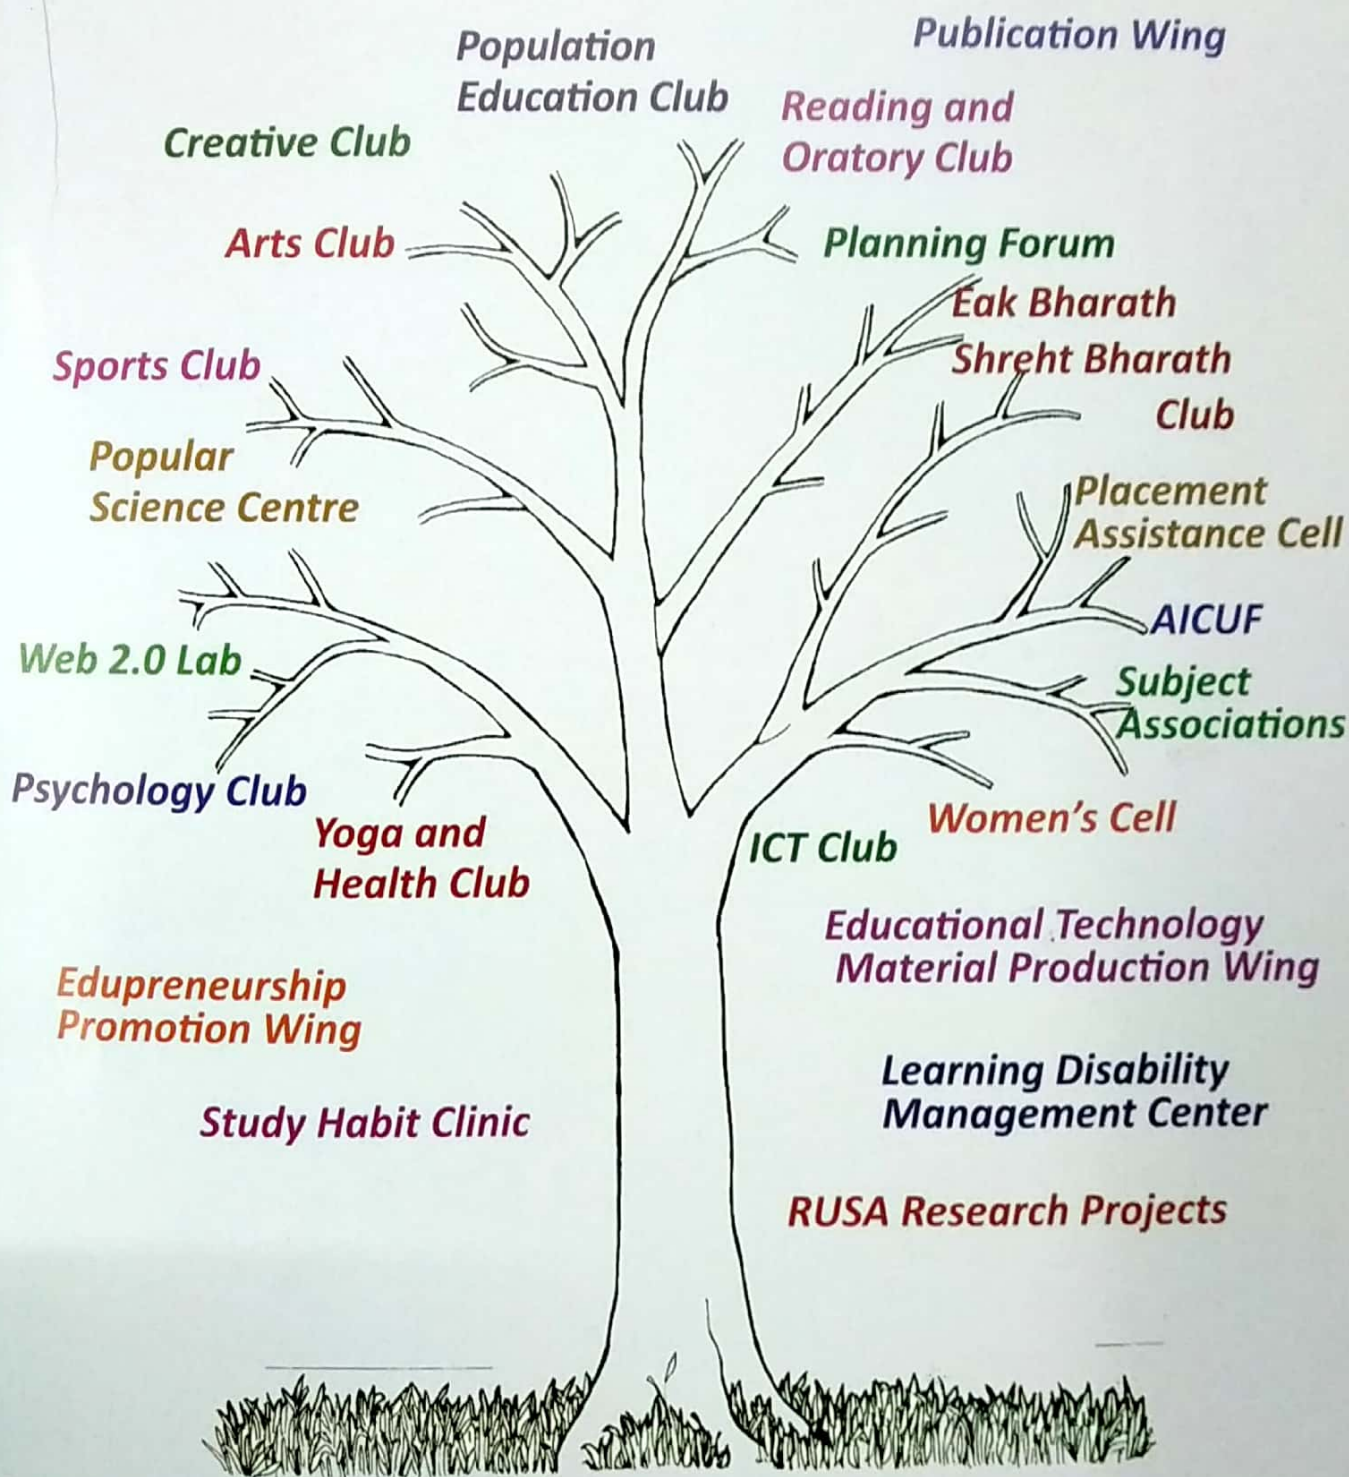

The Vision

- ✦ Training the new generation teachers to perceive and transfer the cultural, social and spiritual values of the society
- ✦ Empowerment of student teachers especially women through the development of the integrated personality, leadership qualities and professionalism
- ✦ Inculcation of scientific temper through the technologically updated knowledge acquisition
- ✦ Imparting awareness about preservation and conservation of environment
- ✦ Promoting a proper attitude towards sustainable development

“നാളെയെക്കൊണ്ട് നേരും നന്മയും ഉച്ചരിപ്പിക്കാൻ, കയ്യക്ഷരങ്ങളെ കാലാതീതാക്ഷരങ്ങളാക്കാൻ ഈ മഹാവിദ്യാലയം കലാലയത്തിന് കഴിയുമെന്ന് ഇവിടത്തെ മൺതരികൾ പറയുന്നു”

Prof. V Madhusoodanan Nair

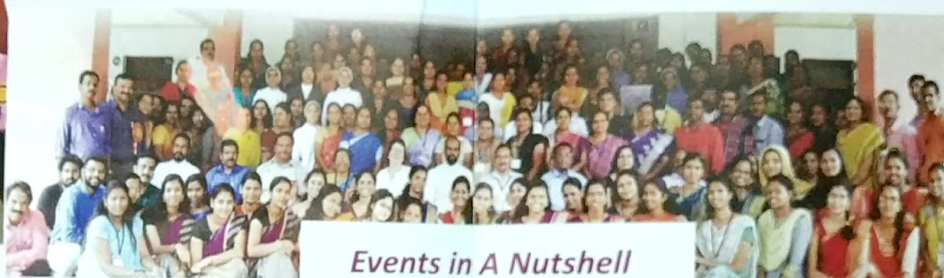

Clubs, Forums and Centers that Nurture You

“ It was a memorable experience for me when the faculty and students interacted with me with very relevant questions with enthusiasm & passion during science day celebrations.”

Dr. Abdul Jaleel,
Rajiv Gandhi Center for Biotechnology, Trivandrum

- ✳ New generation courses in AI and Robotics

Proposed New Elevation

New Skill Lab Design

“We are very thrilled to have been invited to your college and looking forward to opportunities for further collaboration”
Students of Elon university, North Carolina, United States (2017)

FAQ's

Q1. Is there any age limit to pursue B.Ed course?

The candidate must be 20 years of age to pursue this course and No upper age limit.

Q2. What are the career options available after M.Ed. course completion?

There are a number of posts with different national bodies like NCERT/NIEPA etc where M.Ed. Degree holders can get better academic positions as a Research Assistant, Assistant Professor and alike.

Q3. How long does a Ph.D. take?

Ph.D programmes last for a minimum of three years. Students are expected to submit a thesis within 12 months of the end of the programme (and preferably within the three year period.)

Q4. How much will Ph.D. cost me?

This depends on where you are from, where and what you want to study and whether or not you qualify for funding like obtaining UGC-NET or JRF.

Q5. What is the pay for Postdoctoral fellow?

Pay varies according to the type of fellowship or grant that you hold. Currently, at the very least it is Rs 24,000 + 30% HRA, per month. If you obtain an independently funded fellowship pay can be much higher.

Q6. What are the work timings for post docs?

There are no fixed timings; as a postdoc you are expected to plan your work. At present, there is no contract for a postdoc, thus terms of reference regarding leave and working hours are not set.

Q7. Is it mandatory to qualify SET to become Higher Secondary Teacher in Kerala ?

No, if You have completed M.Ed., then SET is not a mandatory factor to become Higher Secondary Teacher in Kerala.

"The planning and administration of all activities undergone can be rated 5 stars."

Dr. Ashalatha S. Nair

Former Sr. Lecturer, DIET and SSA State Programme Officer
