### M.T.T. COLLEGE : An Overview

---

**M**ar Theophilus Training College, one of the premier Teaching Training Institutes in Kerala is situated in the lush and scenic Mar Ivanios Vidya Nagar and owes its inception to the prayerful insight of the divine visionary, the late Archbishop Mar Ivanios. The foundation of this great centre of learning was laid by the charismatic self of Benedict Mar Gregorios, the late Archbishop of Trivandrum. Under the unflinching and vital guidance of our patron, His Beatitude Moran Mor Baselios Cardinal Cleemis, Major Archbishop Catholicos of the Syro-Malankara Catholic Church, the college is now attempting newer heights of unparalleled excellence. His Excellency Rt. Rev. Dr. Samuel Mar Iranius, Aux. Bishop of Trivandrum is the Co-patron of the college. The College is one among the prodigious line of impressive educational institutions managed by the Syro-Malankara Major Archi-Eparchy of Trivandrum, in accordance with the rights of the minority community guaranteed by the Constitution.

The College derives its name from the Late Bishop Jacob Mar Theophilus of Thiruvalla. It started functioning in 1956 under the affiliation of the University of Kerala (Travancore University at that time) in the premises of Mar Ivanios College campus. Later the institution was shifted to a new campus (present Sarvodaya Vidyalaya Campus) and functioned there for a few decades. In 2001, to fully comply with NCTE norms, an independent educational complex was set up with futuristic infrastructural facilities. The new college building was blessed and opened by Late Major Archbishop Cyril Baselios Catholicos. The NCTE expert team while visiting the institution

recorded their appreciation regarding the infrastructural and academic excellence of the college.

Prof. J. Y. Thampy Haris, a renowned scholar, served as the first principal of the college. Eminent and distinguished personalities like Rev. Fr. Jose Mathew, Rev. Fr. George Mootheril, Rev. Sr. Stanislaus SIC, Prof. Susan Joseph, Prof. Mary Mathews, Rev. Sr. Dr. Sbeeha SIC, Rev. Dr. Jose Konnath, Rev. Sr. Dr. Mercykutty A. SIC and Dr. Esther Gladiz have adorned the post of the Principal of the college. Dr. K. Y. Benedict presently heads the college, steering it steadily through changing times. Rev. Fr. Thomas Kayyalakal, the bursar, caters to the physical and spiritual well-being of the institution. In the last six decades of its existence, the college has set great benchmarks in the field of teacher education in terms of excellence in infrastructure, state-of-the-art smart classrooms, resourceful faculty and overall student experience. The college offers Bachelors Degree in Education (B.Ed.) in six optional subjects namely English, Malayalam, Mathematics, Physical Science, Natural Science and Social Science. The course had been offered to one hundred and fifty students with eleven faculty members. The college commenced its first M.Ed (Masters Degree in Education) batch in 2005. The Self-financing M. Ed. Department functions under the expert tutelage of a Professor who acts as the course coordinator and four Assistant Professors, who operate the mode of instruction. It is a testimony to the institution's outstanding holistic vision that it was re-accredited by the National Assessment and Accreditation Council (NAAC) with an 'A' grade in 2014.

The implacable standard maintained by the college in the field of research has finally attained fruition with its elevation to a Research Centre under the University of Kerala. The pending M. Phil course which is currently under the process of attaining sanction is expected to bring the college closer to its academic and structural fullness. The College currently offers the two-year B. Ed. programme to a selected fifty students. The College stands for 'academic excellence, development of professional skills and character formation based on the vertical and horizontal dimensions of love so as to produce cognitively enriched, affectively trained, morally upright, socially committed and spiritually inspired teachers of India. The college which is celebrating its 60<sup>th</sup> Anniversary from 2015- '16 is committed to mould teachers who are intellectually honest, academically effluent, technologically equipped, and emotionally mature in their words and deeds. Today, the college marches forward with enhanced vigour and vitality, holding high the motto 'Dominus Mea Illuminatio, meaning "God is my Light".

## COLLEGE ANTHEM

Maker of teachers, you moulded us fine  
Pray we to God for thy eternal light  
And deep in our hearts your motto we bear  
'Dominus Mea Illuminatio'

Atop the hill where institutions fill  
Providence blessed what Mar Gregorios built  
Among alters of wisdom spreading light  
Our college alone makes every bearer a torch.  
(Maker of teachers)

Though far away just a college it seems  
Nearing one knows, much more than it is  
May all our work be grace to your name  
Mar Theophilus, mother our wish be with thee.  
(Maker of teachers)

Lyrics : Laji Varghese  
(English optional, 2000-2001)

Music : Felix Geoffery  
(English optional, 2000-2001)

## ഗുരുദീപം (ഈശ്വരപ്രാർത്ഥന)

വിദ്യാലയമാം വിളക്കിൽ  
നറുതിരിയായ് നമുക്ക് തെളിയാം  
അറിവിൻ മലരുകൾ വിടർത്തി  
കുഞ്ഞുമനസ്സുകളിൽ കോർത്തിണക്കാം  
മുൻപെ പതിഞ്ഞ കാലടികൾ  
നമ്മൾ തൻ വഴിയിലെ മാതൃകകൾ  
വിശ്വം മുഴുവൻ അഞ്ജലികുപ്പും  
മഹത്വമാർന്നൊരീ കർമ്മമിതൊന്നിൽ  
അക്ഷരവാതിൽ തുറന്നീടാം  
അക്കങ്ങൾ തൻ ശാസ്ത്രതിരനീന്താം  
ഉണ്മയും നന്മയും ഇരുമിഴിയാക്കാം  
ഗുരുവെന്ന നാമത്തിൻ ആഴം തിരയാം.

### INTRODUCTION

*"Teachers, I believe, are the most responsible and important members of society because their professional efforts affect the fate of the earth."*

*—Helen Caldicott*

*"Teaching is the profession on which all other professions depend. Indeed, everybody who is anybody was enabled to become somebody by a teacher."*

*— Prof. Linda Darling – Hammond.*

'The destiny of the country is being shaped in her classrooms' is not rhetoric. This focuses on the crucial role, the teaching community is expected to play in making education qualitative. It is now well-recognized that the most important single factor for the quality of education and thus for the efficiency and quality of the pupils' learning is the quality of the teachers' training. Hence considerable thought and attention have been given to teacher education by all societies throughout the world. Decades ago, developing subject matter competency and pruning teaching skills in a specific subject was the prime objective of teacher training programs. But with the advent of globalization and the increasing convergence of digital technologies, educational practices have undergone tremendous changes throughout the world to meet the challenges brought about by this new landscape.

The teacher of today is not just one who can teach a specific subject, but one who possess the skills and competencies needed for the 21st century to transact the content and teaching not just a local student but even to a student residing in the remotest corner of the world with widely varying interests and abilities. In short, teacher education has to function as a professional learning under a global canvas. This requires an education system that adopts a holistic approach to developing the whole person and his or her full potential. To ensure quality in a changing scenario and to keep at par with national and global requirements and to keep in pace with national norms, a revision of the current B.Ed. curriculum became imperative. The prime objective of this revision, as done in the earlier revision, was to mould a Curriculum to equip in prospective teachers the knowledge, skills, attitude, competence and commitment to face the challenges of the 21<sup>st</sup> century.

### Guiding Principles

The University of Kerala modified its one year B.Ed. curriculum in 2013 to equip the prospective teachers to cope up with the needs of the educational community of the 21<sup>st</sup> century. A new thrust in the field of Educational Technology, introduction of the concept of Pedagogic & Techno-pedagogic Content Knowledge Analysis, Evidence-based Performance Evaluation, Development of Teacher competencies, Entrepreneurship in education, development of professionalism .... are a few novel aspects that was incorporated in the curriculum revision. Moreover the need to lessen the burden of an over loaded curriculum, the lack of sufficient practical orientation, reducing the gap between theory and practice, the inclusion of obsolete content and a failure to be in touch with the realities existing in schools and the requirements of the community, the quite often heard limitations were also given special care while moulding the curriculum. Quite significantly, all these had been addressed and taken into consideration in the present revision also. Special care has been taken in the present revision also to retain the best practices of the earlier curriculum and to observe fully the NCTE New Regulations 2014. In fact, this curriculum revision was also successful in bringing together the expertise of several practicing teachers at different stages
